17.09.2020

Dear Professors,

Greetings!

The summative examinations of April – 2020 for the final year UG & PG students has been proposed to be conducted as an online examination from 21.09.2020 onwards. In this regard, I request you to make note of the schedule of the proposed examinations from 21.09.2020 to 28.09.2020. The examination for the students is of descriptive nature with the usual question paper pattern. The students download their question paper in their respective subject Google Classroom. They answer for the questions in A4 sheet papers and upload it in the same Google Classroom for valuation. After uploading, we the staff members have the responsibility to value the papers. I hereby request all the staff members to value the online answer scripts within the next two days of the examination date. For eg. if the examination of a subject is on 21.09.2020, the subject in-charge has to complete his/her task of valuing the answer scripts on or before 23.09.2020.

Elaborate arrangements have been made in our MBA & MCA computer labs (from 10.00 am to 6.00 pm) for the valuation of online answer scripts.

Please cooperate and do the needful in completing the April – 2020 summative examinations successfully.

Thank you

Principal
