13.	Programme Summary:	The Personality Development Cell organized a One Day Guest Lecture Programme on the topic "Self-Motivation" on 03.01.2023. The programme commenced with Thamizh Thai Vazhthu, followed by College Anthem. The session was handled by Dr.P.Jessintha, Assistant Professor, Dept of English, VHNSN College. She trained the students on the topic "Self-Motivation". Self-motivation can also be considered as self-care and self-love. It acts as a guide to keep aside one's day-to-day stress and generate positive emotions. Stress is a common factor affecting our overall health and wellness be it in personal or professional life. Explained the strategies to get themselves

back on track towards their goals and achievements.

- Put your goal on the calendar.
- Make working toward your goal a habit.
- Plan for imperfection.
- Set small goals to build momentum.
- Track your progress.
- Reward yourself for the little wins as well as the big ones.
- Embrace positive peer pressure.
- Practice gratitude (including for yourself).
- Change your environment.
- Remember your “why.”

The programme ended with the National Anthem.
